Hi Miranda,

I have not yet heard from Ben (you indicated him as optional), but 9/6 at 9am pacific is currently the best time for everyone. 9/4 at 2pm is a backup. I'll plan on proceeding with the 9/6 time – let me know if you have any concerns with this.

Thanks, Amy

Sure, let's do that. I could check outlook calendars, but sometimes those aren't always up-to-date. I think the doodle poll is the best option.

Thanks!

Hi Miranda and Jayne,

Please let me know if you would like me to update the poll and resend to EPA folks for the times that work for ECY during the first week of September. Or if you have another suggestion.

Thanks, Amy

Hi Amy,

We'll have Cristiana Figueroa-Kaminsky from our environmental assessment program join us.

It might be easier to work through me to schedule both her and Rich. Here are some times that work for all three of us during the first week of September.

10/24/2018

Tuesday Sep. 4th – before 10:30 or after 2:00

Wednesday Sep. 5th – anytime between 11:00 and 3:00

Thursday Sep. 6th – Anytime except between 10:00 and noon

Best,

Leanne

Hi Leanne,

Thanks for the update. I will sit tight on my end and wait to hear back from you and/or EPA on scheduling the discussion.

Look forward to working with you.

Thanks, Amy

Thanks Amy,

We'd like to try and include someone from our modeling team in this conversation – but that will likely mean we need to push this out until the first week of September.

10/24/2018

I will get back to you as soon as I am able to touch base with them.

Thanks,

Leanne

Hello all,

Please complete the poll below to help identify a good time for an initial discussion on the Deschutes TMDLs. If possible, please complete the poll by Monday, 8/13. I will then distribute a meeting invite for the best time with a call-in number.
